LEADING INTERNATIONAL UNIFORM COMPANY LAUNCHES ITS EXCLUSIVE COLLECTION OF SUSTAINABLE ORGANIC COTTON UNIFORMS IN THE US MARKET!

Recognized as a leading supplier of incomparable quality uniforms for the past sixteen years in Europe, Fashionizer Spa Uniforms now launches in the US market with its successful range of uniforms meticulously crafted of a proprietary exclusive organic fiber that ensures optimum therapist comfort with fully breathable fabrics.

WHY ORGANIC? – The spa industry understands the importance of sustainability and caters to a fast-growing number of consumers who are equally committed to making a difference in the preservation of our planet. Fashionizer Spa Uniforms' organic cotton (Futura®) is grown without the use of chemicals, pesticides, or heavy metals, helping to preserve biodiversity and protect species from extinction. The brand provides spas an effective way to make a significant difference. By supporting the use of organic cotton, your spa can tangibly reduce its carbon footprint on the environment.

HOW IS IT BREATHABLE? – Historically in demand for its comfort factor, cotton is cultivated for its cooling and breathable properties. Fashionizer Spa Uniforms elevates its collection to an unsurpassed level with its proprietary Cotton Performance Fabric (CPF), a revolution following 2 rigorous years of development and testing. Fashionizer's exclusive CPF blend combines organic cotton and Lycra to deliver all day freshness and comfort as well as an impeccable image. Your team and the earth will be thankful!

CONTEMPORARY STYLES? – Offering an extensive collection of thirty four contemporary styles, Fashionizer Spa Uniforms are nicely fitted to flatter each silhouette, including coordinating outfits for male employees. Ensuring there is a matching option for every team member, the brand offers uniforms for spa managers, massage therapists, estheticians, spa concierge, front desk, and locker room attendants. Every team member will represent the spa with optimum uniformity while looking fashionably professional. Fashionizer Spa Uniforms are available in a variety of classic spa colors such as: classic white, black, wheat, blue, green and brown.

CUSTOM OPTIONS? – Distinguishing your spa from all others is a critical part of your ongoing success. The expert design team at Fashionizer Spa Uniforms can collaborate with you to create a uniform that is specifically tailored to your spa's identity. Fashionizer helps your spa finds its unique shade of green!
